

5-6 NOVEMBER
STORUMAN, SWEDEN

iHAC – AN END FOR A NEW BEGINNING

★ FINAL CONFERENCE ★ LUNCH-TO-LUNCH ★ FOLKETS HUS – STORUMAN ★

This event is part of the Swedish Presidency
programme for the Nordic Council of Ministers 2024.

Programme – iHAC final conference

We invite you to the final iHAC conference, “An End for a New Beginning,” on November 5th-6th in Storuman, Sweden. This event will celebrate our achievements in the “Integrated Healthcare and Care through Distance Spanning Solutions” initiative (2021-2024) and the earlier “Healthcare and Care through Distance Spanning Solutions” project (2018-2021).

Why Attend?

Over seven years, our collaboration has demonstrated that health and care with support of distance spanning solutions is possible for remote citizens across the Nordics. Join us to honor these milestones and hear from the Swedish Minister of Health Care, Acko Ankarberg Johansson, along with other distinguished speakers.

*Swedish Minister of Health
Care, Acko Ankarberg
Johansson*

We look forward to celebrating with you!

*This event is part of the Swedish Presidency programme
for the Nordic Council of Ministers 2024.*

Session 1: Welcome, a journey to a new beginning

Session 2: Demonstrating model areas for integrated Healthcare and Care with support of distance technology

Session 3: Can iHAC contribute with a positive environmental impact?

Session 4: Knowledge to facilitate safe, secure and high quality integrated Healthcare and Care
